Mrs. Effa Manley, Business Manager
The Newark Eagles Baseball Club
71 Crawford St.,
Newark, N.J.

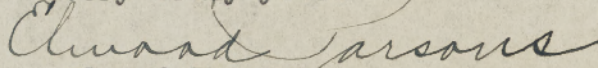

Dear Mrs. Manley:

Your letter of June 5th received and contents noted with interest. I will be more than glad to take care of the necessary arrangements for the sixteen members of your ball club. Today under separate cover I received the publicity on your ball club which is very good altho I wished you had sent about 3 copies of the club's personnel and dope data. You see we have three leading dailies here and I really believe in working the newspapers hard for any ball game that I have. Will send you one of my placards that are being used to advertise the game. The only reason why I do not have any pictures of the Eagles thereon is because I received your mats after the placards were printed.

Your club is very well liked in Dayton and since the same is true of the Homestead Grays I am extending every effort to secure every paid admission possible. Rest assured that with a decent break in the weather an appreciable crowd will be out to witness the game.

Let me know if Mr. White is still your road manager and if so I will gladly accept him as my personal guest. Again thanking you for your fine co-operation and repeating that the club will have decent accommodations while in the City of Dayton. With best regards. I am

Very truly yours

Elwood Parsons
